THE FOUR-WAY TEST

Of all the things we think, say or do . . .

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENIFICIAL to all concerned?**

FROM PRESIDENT JUDI

It was good to listen to Rotarian Bill giving us some insight into his life as a youngster growing up in the country and learning more about "the man behind the badge." Well done Bill.

Just a little about the cluster meeting where the local clubs have an opportunity to catch up on what is happening in the District and amongst us. This time we welcomed Kim Schroder from Rotary Peninsula 2.0 the new club in the District. As mentioned at the meeting on Wednesday night, all of the clubs are doing what Rotary does best and that is to try and fulfil their service obligations for the year. There was considerable discussion on the innovative ways that clubs are endeavouring to develop and maintain large and small projects but most of all projects that are sustainable into the future.

As mentioned at the meeting, a Club survey questionnaire will be forwarded to all members in the next week. I encourage you all to complete the questions. The questions are of a generic nature and take into account club activities, protocols and general operations. Our aim is to review and analyse these responses and consider ways to better serve members and the community.

I am happy to say we are making progress in relation to our plans for the 40th Anniversary of the Club Charter. The steering committee met for the second time and we should be able to report on progress at our meeting on the 3rd April.

PHOTOS FOR 40th ANNIVERSARY

We are planning to create a photo montage for display at the function and also to include in a souvenir memory stick.
To do this we need photos.
We can scan hard copy photos if necessary - please package them with your name and I will scan them and return in due course. There may be some digital collections already made up for previous functions - they would be great.
For digital images - please DO NOT email - put them on a flash drive which I will return.
If you have photos could you please get them to me ASAP, because there will be a bit of work getting it done, but by the 3 April by the latest.
