Of all the things we think, say or do

This Week saw a reflective dinner for our esteem member PDG Peter Newman. Peter served his community well. In a many different roles: Rotary, Return Service Men and Women welfare, Justice of the Peace and other local community welfare organisations. Just to name a few. As PDG Lyn Westland who lead PDG Peter Newman's funeral spoke of the Dash Our thoughts are with Peter's Wife Fay and their family.

Members past and present spoke fondly of their memories of Peter and the fun times they shared.

I read of a man who stood to speak,

At the funeral of a friend

He referred to the dates on his tombstone

From the beginning to the end

He noted that first came the date of his birth

And spoke the following date with tears,

But he said what mattered most of all

Was the dash between those years

For that dash represents all the time

That he spent alive on earth,

And now only those who loved him

Know what that little line is worth.

For it matters not how much we own;

The cars, the house, the cash,

What matters is how we live and love

And how we spend our dash

$500 was donated to Prostate Cancer Research in honour of PDG Peter Newman

Bev Unitt sent an email of her thoughts to the club and Fay.

- Frankston Community Support, thanked the club for the donation of $500
