THE FOUR-WAY TEST

Of all the things we think, say or do . . .

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

FROM PRESIDENT JUDI

It was such a pleasure to see so many members and their partners turn up for Conference planning up date and everyone making that commitment to ensure we support DG Tony in his endeavour to make this a successful and memorable conference for everyone who attends. Just thinking about it, we have a fabulous conference venue in a great location, top class speakers, fantastic entertainment over the whole weekend and dining out at a sensational restaurant on the bay. Tony you did well when you went on your international quest only to find the best on home ground.

I thank you for your input into the planning for the 40th celebration of our Club Charter in May 2013. I am conscious that there is a lot happening in the next 6 months and that is probably an understatement. But we have planted the seed and "little things grow". Knowing our club we will have it all together, celebrate in fine form and make it a special time to reflect and enjoy.

And we are doing all this whilst continuing to progress our own club activities. There are some good things happening for the club, with some major community projects underway. To get the ball rolling PP John, PP Charles and I will be involved in further discussions this month with regard to the Rotary Junior Community Awards and the piloting of the program in 3 schools. This is a great opportunity to strengthen our presence in our local schools and what is more exciting than to reward our younger community for their achievements.

The Rotary Club of Frankston North Inc is a caring group of people who apply their time & talents in providing humanitarian support to local & overseas communities & individuals while also caring for & involving their own members & families

(Continued from page 1)

The WEB site is about to be upgraded again which will enhance our image with our Friends of Rotary. Don and Mark will talk more about this. Maureen is also working on getting current project information and images on the WEB. And PP Bob has just had an article on the Tonga project accepted for one of the Agricultural journals which is a great win for the Club.

The board gave its' approval for the donation of \$1000 towards the Rotaract Club's Timor Leste project travel costs. The Board also approved a further donation of \$1000 to cover the cost of a container of humanitarian aid goods heading for Africa.

I managed to pay Judy Granger visit in Hospital and Judy was asking after everyone, sends her best wishes and hopes to be up and about soon.

This week is Club assembly and the aim is to provide an update on progress and an opportunity for all members to have a say in what is happening around the Club.

Don't forget DG Tony will be paying us a visit on the 24th.

See you Wednesday.

President Judi

LAST WEEK'S PROGRAM

Chair: PP Michael Goonan

Guests: Partners

Apologies: Mark Sammut.

LOA: PP Doug Thompson.

INTRODUCTION

President Judi welcomed everyone, and explained that the program would consist of a conference planning session, followed by a discussion on plans for our 40th birthday celebrations.

CONFERENCE PLANNING SESSION

DG Tony Spring introduced the session by reminding us that the conference was approaching fast. He thanked all involved for the work which has been done to date. We are now at the fine tuning stage.

PP Michael Goonan led a PowerPoint presentation showing the organisational structure for the conference and setting out the allocation of various responsibilities. Copies of the structure and planning sheets will be forwarded to all concerned so leaders can work on their areas.

CLUB 40TH ANNIVERSARY PLANNING SESSION

President Judi led a discussion on ideas for celebrating our 40th anniversary which will be in May next year. There was a positive response with a lot of good ideas which have been recorded elsewhere. PP Judi summed up by suggesting that a planning committee could be formed to organise the event. She thanked everyone for their input, and asked us to continue to contribute our thoughts.

NEXT WEEK

CARBON - THE GOOD, THE BAD, THE UGLY

Paul Holper - CSIRO

Chair: Mike Goonan
