THE FOUR-WAY TEST

Of all the things we think, say or do . . .

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

FROM PRESIDENT MARK

Over the last 2 weeks it has been very satisfying to have seen the club laying the platform for the year to come.

Spearheading the clubs activities this year is fundraising. So it was with great pleasure that I was able to announce to the club that we have received a District Grant of \$2000.00 to be used as part of the redevelopment of the Frankston North Community Gardens. The money will help us to install disabled access and infrastructure in the gardens. It is a wonderful opportunity to build on the work which we commenced on last year.

I would like to also thank those who participated in the BBQ on Thursday at Towerhill road. For that effort we were able to raise \$400.00 that will go into our project accounts.

The second part of last week's meeting we held a brainstorming workshop, capturing ideas that can be used by the club over the next year. The next task is documenting these ideas and putting them into an order. They will then be returned to the fundraising team for planning and action. Thank you to all who participated and in the manner the workshop was conducted.

Finally, our hearts and thoughts go out to Simon and Maureen Gillham. Our deepest sympathy on the passing of Pauline Gillham and please know that you have the support of every member of our club.

BUDGET / FUNDING DECISION

Following on from last week’s goals and programs presentation, Pres Mark invited the Club to make a decision whether to agree to support the proposed Club development activities, and if so, to agree to fundraise Club funds to pay for them. The estimated costs of the activities are \$6650, as follows:

Training & Development	Club Training/PETS	\$400
	Rotary Training Institute	\$250
Public Relations	Materials and Printing	\$500
	Design and development IT.	\$1000
	Advertising	\$500
	Rotary Cluster Event	\$500
Membership	Membership Evenings x 2	\$1000
	Prospective members and Friends Meals	\$1000
	Membership Packs	\$500
	Friends of Rotary Day	\$500
	Corporate Membership Development	\$500

Mark pointed out that these proposed activities could only proceed if additional club funds were raised to pay for them, as the existing Club budget has no surplus available.

After general discussion, it was agreed that we should undertake these activities and costs subject to the funds being raised through appropriate fundraising activities.

FUNDRAISING WORKSHOP

Pres Mark led a general discussion on the importance fundraising., following which the Club divided into groups to workshop possible fundraising ideas. There were a lot of ideas which will be considered and assessed for suitability.

MORE LEXOPHILIA (From Russell)

"Lexophile" is a word used to describe those that have a love for the use of words, such as "you can tune a piano, but you can't tuna fish", or "to write with a broken pencil is pointless."

- ✓ **Police were summoned to a daycare centre where a three-year-old was resisting a rest.**
- ✓ **Did you hear about the fellow whose entire left side was cut off? He's all right now.**
- ✓ **A bicycle can't stand alone; it's just two tired.**
- ✓ **When a clock is hungry it goes back four seconds.**
- ✓ **The guy who fell onto an upholstery machine is now fully recovered.**
- ✓ **He had a photographic memory which was never developed.**
- ✓ **When she saw her first strands of grey hair she thought she'd dye.**
- ✓ **Acupuncture is a jab well done. That's the point of it.**

Epicurean Adventure

We have been in contact with Michelle Cann (GSE Team member to Turkey), who owns and operates **String + Salt in Warragul**, about running a course for those interest so she can share her experiences on Turkish cooking following her visit to Turkey

She has offered two alternatives:

1. Full Turkish Feast

Learn how to cook many different spicy stews, kebabs, rices, breads etc. Michelle will explore the various spices with you where it will be hands on so you can really experience the cooking process up close.

Class will be from around 9.30am to 2.30pm. Cost: \$100pp includes all food.

2. Turkish Tapas

Learn how to prepare dips, cured meats, cheeses, breads etc. Lots of finger food.

Class will be from around 9.30am to 12.30pm

Cost: \$50pp

With both options the cooking is followed by a shared meal around the String + Salt table, a chance to savour the foods you have created and to exchange conversation and ideas.

.As Michelle can only cater for 12/15 people it is intended that we arrange a car pool with the guys driving down and playing a round of golf while the students do their thing. Then of course we would join them to help eat the beautiful food they prepare.

More details on String + Salt can be found by visiting the Website at <http://stringandsalt.com.au/home/>

We are looking at Sunday 16 August 2015.

Can I ask you to please to discuss with your partners and express your interest in attending by completing the following and returning it to David Hanlon at david.hanlon@sandhurst.com.au

-
- 1. Full Turkish Feast
 - 2. Turkish Tapas
