Of all the things we think, say or do . . .

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Australians all let us rejoice  
For we are young and free  
We've golden soil and wealth for toil,  
Our home is girt by sea:  
Our land abounds in nature's gifts  
Of beauty rich and rare,  
In history's page let every stage  
Advance Australia fair,  
In joyful strains then let us sing  
Advance Australia fair.

#### SOME PARAPROSDOKIANS:\*

- Where there's a will, I want to be in it.
- Since light travels faster than sound, some people appear bright until you hear them speak.
- If I agreed with you, we'd both be wrong.
- We never really grow up, we only learn how to act in public.
- Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.
- Buses stop in bus stations. Trains stop in train stations. On my desk is a work station.
- I didn't say it was your fault, I said I was blaming you.
- Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.

\* Look it up like I had to!
