### THE CONCEPT OF VOCATIONAL SERVICE

The Object of Rotary (see previous page) is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the second object, which calls on Rotarians to encourage and foster:

- High ethical standards in business and professions
- The recognition of the worthiness of all useful occupations
- The dignifying of each Rotarian's occupation as an opportunity to serve society **As a Rotarian, how can you put these ideals into action? Consider these suggestions:**
- Talk about your profession in your club, and take time to learn about fellow members' occupations.
- Use your skills and expertise to serve a community.
- Practice your profession with integrity, and inspire others to behave ethically through your words and actions.
- Help young people achieve their career goals.
- Guide and encourage others in their professional development. **By undertaking these activities, you bring vocational service to life. Vocational service is the essence of Rotary and serves as the foundation from which we serve our communities around the world.**
- **TAKE ACTION** Find inspiring examples of ways to take action

## Message from President David

This week's meeting was a bit of fun with a challenging Tennis based Trivia session conducted by Past President David Hanlon. The Meeting was then followed by a Board meeting with the following items discussed: -

Half Year dues set at \$180.00, so expect an invoice shortly.

Meeting attendance: **All members will have to advise Secretary Eric by 2.00pm on Monday with their intention to attend or be an apology.**

Secretary Eric and I will hold a meeting with The International to find out what are the minimum numbers to make it viable for the Meeting to be held at the International.

Aid for Tonga, we are waiting for some further information to be forthcoming, then it will be put forward to the Club as to what Financial Aid we can supply.

When planning Social Events, these need to be costed to ensure that the event does not put additional burden on Club funds along side of the Catering costs, things like Invited Guests of the Club and any Entertainment costs must be taken into consideration.

To keep the dues to the present level the continuation of the Birthday money contribution needs to be followed (10 cents per year) deposited either in the Fine box or directly into the Club Account.

Welfare, PE Simon will discuss with PP Brian (Welfare Officer) and formulate what the Club's Welfare policy will be.

President Elect Simon will roster members on to set up the room each week that we meet face to face and have a member rostered to act as a Greeter along with a Sergeant session on the fourth week of the month. Please ensure you bring some loose change for this session and the Foundation Frog. We will also hold a Heads and Tails session from time to time. I have also asked PE Simon to discuss with the Fellowship Committee the possibility of holding some outdoor fellowship events on a Wednesday night or at the weekend ie a game of boccie or a walk along one of the board walks.

I have asked Past President Glenn (Fund Raising) to convene a Committee to arrange a "Show and Shine" fund raiser in mid to late March. Please put your hand up to assist. This will be an outdoor event and can be socially distanced to meet all Covid rules.

We are also looking for some small and quick community projects that can be completed in a day and also allow us to have some good Fellowship.

A roster will be distributed for our fund-raising effort at Abbeyfield. This is a Club event and all Members are requested to participate and not leave it to a few. This requires 3 or 4 members for an hour once a fortnight.

We are looking to present some Paul Harris Fellows this Rotary Year so please send me your recommendations along with a CV and I will pass them onto the PHF Committee for consideration.

We are also looking for interesting and informative Guest Speakers for 1 or 2 nights per month please pass along any suggestions to either Simon or myself.

As there is no Meeting on the 26<sup>th</sup> of January, I will take this opportunity and wish everyone a Safe and Happy Australia Day and look forward to our next meeting on the 2<sup>nd</sup> February 2022.

David

## ANNOUNCEMENTS:

**Secretary Eric:** Mail Collected and distributed

There have been some birthday cards sent electronically via 123-cards that have not been read. Please check you junk mail

Thank you to the club and members for their condolences and flowers following the passing of Marina's brother Nick.

### **The Rotary International Conventions**

I have previously written about the Olympic Games being just a competition of nations to prove who is the best.

On the contrary the Rotary International Conventions do bring people together from across this planet to celebrate a common belief of cooperation, fellowship and service to the community for a better world.

There are speakers who excite, the spirit of cooperation the fundamentals of unity and peace, promoting humanity across the glob.

The Convention educates and inspires Rotarians to continue their service locally and internationally. This is what brings people closer together, not a competition to win gold medals, and to prove who is the best, but rather to share ideas to improve this world.

At the convention you will not see people waving national flags, singing national anthems but rather people who represent their country in the promotion of good will and understanding. There you hear from inspiring and entertaining speakers, see a world where people unite and take action to create lasting change-across the globe in our communities and in our selves, experience endless opportunities for networking and make friends in other countries.

I have attended two Conventions and every time my zeal to serve as a Rotarian has multiplied exponentially . Unfortunately the pandemic has made me cautious to attend another one at this point of time.
