The Four Way Test

Of all the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Ho VOL 49 Issue 7

President David Cahill

From the President's Desk

It was a very good session conducted by Past President David Hanlon on the health of our Club and alternative thoughts on how to attract new members to our Club.

David will collate the information and we will hold further Meetings on how to implement the changes suggested with the view to making the Club a vibrant organisation that people will want to be a part of.

We all know and appreciate that Zoom meetings are not the best way to have our Meetings and certainly not the best way to attract new Members, however it is not impossible. On the bright side by having Zoom available to us it allows those Members travelling to stay in contact with the Club and opens up the range and availability to a greater number and variety of Guest Speakers.

It looks like we will be locked down for another few weeks, please send Secretary Eric the information on your first car and any suggestions to President Elect Simon on potential Guest Speakers or Discussions you would like to have.

Please also think about taking on a Leadership role in the Club and not leaving it to someone else. That is President, Secretary, Treasurer or Director, these positions are most important to the running of a successful Club and without them we have no Club.

The Forms for the Nominating Committee will be distributed soon.

Have a safe and fulfilling week.

David

The theme of the meeting was a Vibrant Club

There were break out rooms, facilitated by PDG David Loudon, Pres David Cahill and PP David Hanlon (David's all round) This allowed the members to have their say and be heard in these smaller groups. In our group the discussions were considered and thoughtful. The consensus was membership is critical, and it is every member's responsibility to make the meetings vibrant and invite potential members. It was agreed the club needs interesting relevant projects that would entice new members or work with other community groups to get our Club recognized in the community and in time encourage new members.

START YOUR CLUB ON A PATH TO VIBRANCY
