*Guest Speaker:* **Simon Gillham** - "President's Report"

President Simon delivered his Report to the Club outlining the achievements of the Club during his year of President. They included:

Continued growth in attendance at the International Women's Day Breakfast, Ongoing regular maintenance at Abbeyfield, The dramatic transformation at "Local 2 Community" Truly a great achievement and ongoing, Large banksia planting project transforming what is basically wasteland into an attractive landscape over time, Successful Trivia Night raising substantial funds, and profitable and enjoyable Bunnings BBQ's.

We have been fortunate during the year to achieve a net increase in our membership, not an easy task given how "time poor" many people are today. As is the case I'm sure with all other service clubs, our membership is ageing, and we are not as capable as we once were to carry out hard physical work. We can achieve great results, it just takes a bit

longer! Sincere thanks to all Directors for everything we have achieved this year, and I take this opportunity to wish incoming President Maree Hutchins and her Board every success for the coming year and assure her of my support throughout the year.

**McClelland College Interact Club Charter Ceremony**

Our Club is proud to have sponsored and new Interact Club at McClelland College which was formally chartered on Tuesday 13th June, although the Club had already been active conducting fund raising projects for many months now. Twenty six of the thirty three members were present along with 11 members of our Club. The charter was presented to the President Stephanie Trott and name

badges presented all Club members. Congratulations to Youth Director Judi McKee and McClelland teacher Andrew Helmsey for driving this initiative through to fruition.

David L and Ronny presenting a certificate of Appreciation to Danny, Denise and son Richard of Seagull Press for supporting the Club by printing the program for our 50th Anniversary Celebration
