### President Maree's Message

VOL 51 Issue 02  
Meeting Date: 11/06/2023

Hello to all!

Our first meeting was productive and enjoyable. John Tame set a positive mood for the program with his well know humour that is enjoyed by all. Bun-nings, on 28<sup>th</sup> June, presented us with a hamper in recognition for our community work, along with some other clubs.

It seems like there are currently two options on the table for future meetings: Sands Hotel in Carrum Downs and the Mornington Hotel in Mornington. A decision was made to stay at the Mornington, but it was majority of only one. This is not enough to make a future decision. A more central location in Frankston would be fairer to all members. Having a venue located here would make it more convenient and accessible for everyone.

I am checking out the Grand Hotel in Frankston tonight. They are very keen to have us meet there on Wednesday nights. There are some pros & cons, but I will keep you informed. I would prefer us as a club to have a majority rather than a split decision for our meeting venue to change.

Under David's guidance we navigated through our planning Programs with good response from members. Our Fellowship, Youth Programs and Community Projects are on the board and ready to proceed. Thank you all for your contributions. Let's move forward as a team.

Next meeting is a committee meeting

Maree welcomed Rotarians present and on Zoom for her first meeting since her Induction. She thanked Club Members for their support and good wishes at Changeover last week.

### **Secretary David**

At our meeting on 20 June we discussed the proposed Constitution required in Australia to align with Rotary Rules and current Australian laws for Incorporated bodies. We voted to accept the new Constitution and our vote has been lodged to the authorities.

FNR 2023 Footy Tipping Comp - Rounds 12 - 15 split rounds, congratulations to David Brook who picked a total of 21 to win the \$20 Prize.

Round 16 - 16 tipsters picked 8. Shawn Price (Truth Trip) still in lead on 99 followed by David Loudon on 96 & Terry Vickerman on 95. Tip 9 is now worth \$15.

Last week Maree, Keith and Eric went to a Bunnings Community event, where all groups that do the BBQ's were invited, it was great to meet many of the other groups and here how they use the funds raised. Bunnings also gave all groups a Hamper which had many items for doing the BBQ's and 4 items that would make great raffle prizes. A letter has been sent to Bunnings thanking them.

Last week all our storage items were moved to McClelland College. A procedure on how to gain access has been written and will be distributed to all. The key is held by our Secretary along with copy of procedure.

### **Mike Goonan**

## Goal Setting for the Year

Secretary David led a brainstorming session that identified strategic projects and events with suggested timing throughout the year that the Club . Each avenue of service was discussed and key events were nominated for each. This was done as a high level review without going into specific, details as this will be done at a later date.

After much debate, we now have a framework to develop at individual committee level starting next week.

This process has given us a solid base from which to build on to emerge with a well developed plan for the Year.
