President Maree's Message

VOL 51 Issue 14
Meeting Date: 11/10/2023

Tonight's meeting was all about fellowship and pride of workmanship at Local 2 Community. The transformation of the backyard was a testament to the dedication and hard work of the many individuals who spent countless hours clearing out the overgrown vegetation and removing the junk that had accumulated over time. Now, it has become a beautiful space where one can unwind and appreciate the beauty of the garden.

The meeting also provided us with an opportunity to reconnect with our amazing group and catch up on each other's lives. However, amidst the joy and celebration, our thoughts were also with those who have loved ones in Israel and Palestine. The ongoing conflict in the region has caused immense suffering and loss, leaving an indelible mark on the lives of countless individuals. We express our deepest sympathies and hope for a resolution that would bring peace and healing to all those affected.

In times like these it is important to come together as a community, support one another, and extend our compassion to those who are facing unimaginable hardships.

Maree

Program 11 October 23

Tonight we visited Local 2 Community to view the work of FNR in revitalising the back yard area and to hear of the work of this Community group which is so important to the area.

October is Economic & Community Development month in the Rotary Calendar and so we met at Local 2 Community, our meeting could also be classified as a Vocational visit as we heard from Leanne Morse and Faith who volunteer at the community facility.

Over the last couple of years FNR has revamped the back yard of the facility, paving the area, building garden beds, putting a sliding door into a container and painting the container. It will eventually be used as a meeting area.

Local 2 Community has become a drop in shop for those in need and they provide food, veggies and bread. Last month alone they fed 489 families. While they are able to purchase some food from groups like Food Bank they also obtain some donations of food from locals. The group does not receive any government funding and while they have a couple of donors who support the work they also sell at a minimal charge, such items as Clothes, books, kitchen items etc.

They have 25 Volunteers but need more especially males to help with the work. The gardens in the back paved area are looking great thanks to an eager volunteer who keeps them watered. Leanne thanked FNR for the work we have completed. Thank you to all the volunteers who support this area of Frankston North through Local 2 Community.
