VOL 50 Issue 04 Date: 01/08/2022

President Simon's Message

Good morning/afternoon/evening to all.

I'm writing this from very chilly but still beautiful Lakes Entrance, as we have been forced out of home due to timber floor re-furbishment over the balance of this week. Nobody could live through that.

Firstly, sincere thanks to Secretary Tony and all who attended and contributed to our zoom meeting last Sunday evening. Our meeting venue is critical to the way we operate our Club and it became obvious to all that despite good intentions and efforts all round, the current situation was simply not going to work.

It would appear that a trial of new meeting premises was greeted with enthusiasm, even though some members will need to travel further than they have been used to. Any and all input is welcome from all members.

David H. gave an excellent presentation the Pilot Program, a long term plan intended to streamline the organisation. For those a little bemused by the concept (including myself) there is a link on the website which will clarify many issues.

I trust that everyone is training hard for the inaugural "Glenn Ellam Perpetual Trophy" sporting event to be held at the Belvedere Bowling Club next week, we have had a great response and it will be a memorable event to be held annually.

Look forward to catching up on 1st. August

Simon Gillham

Frankston North Rotary are proud to introduce and recommend our Bulletin Sponsors:

Wells Automotive are an Australian owned and operated workshop servicing our local community of Mornington and are part of Australia's largest independent network of mechanical workshops, proudly backed by the biggest name in the business - Repco.

Located at 5 Progress St Mornington, VIC 3931. Call for service - 03 5977 0866

Apologies:	Bev Unitt Ron Cook Brian Capon
Leave of Absence:	Ian McConnell Ron Cook
Zoomers:	Ron Cook Judi McKee Ian McConnell Brian Capon David Brook
Guests:	Nil

Words of Wisdom

It may serve as a comfort to us, in all our calamities and afflictions, that he who loses anything and gets wisdom by it is a gainer by the loss.

Sir Roger L'Estrange

Announcements

President Simon

Welcome to all attendees here and on Zoom.

I have great pleasure in presenting Dinner plaques to two of our new members, Keith & Mary Hopkins and Kaye Aitchison.

I have the Club plaque from the old demolished rotunda in Ballam Park. As this is part of our history we need to decide what we want to do with it.

I want our Club to get involved in the End Tracoma project and will be following up the organisers.

Secretary Tony

A list of those attending the Sports Night next week is being distributed. If anyone else wishes to attend, please let me know asap.

Thanks to all members who participated in the extra-ordinary Zoom meeting on Sunday, and help resolve the issues at hand.

Acting Treasurer Geoff

Invoices for Club Dues have been sent out. While many have paid, for those who haven't please pay soon as we have already paid district Dues and Rotary Downunder subscriptions and have been invoiced for RI Dues. The bank balance is in need of some resuscitation.

John Tame

We are in communication with the Banksia man about our involvement in the Freeway tree planting project.

The Ballam Park renewal project layout and sketch of the new Rotary Shelter are on display tonight. The Council expect to have it completed in November.

Charles Mallia

Next week's Games Night will consist of Rooball, Billiards, Hookey, Carpet Bowls, Darts, and Quoits. The rules for all will be explained on the night. Each player is to record their own score (remembering the 4 Way Test) and there will be 1 winner, whose name will be inscribed on the Glenn Ellam Perpetual Trophy. Entry will be by a gold coin donation. In the event of a drawn result there will be a sudden death playoff.

Maree Hutchins

We are investigating some prospective Guest speakers I have heard, and new projects. One such project is the donation of used garden secateurs for the Fres Hollows Foundation. Please look in your shed and forward them to me.

The article about Judi McKee has been submitted to the Mornington News. Look out for it.

Linda Tinney

We are planning to conduct Facebook interviews with Club members and use Facebook to advertise upcoming Guest speakers. We are also investigating more PR initiatives.

RICK CROWHURST CABINETS P/L

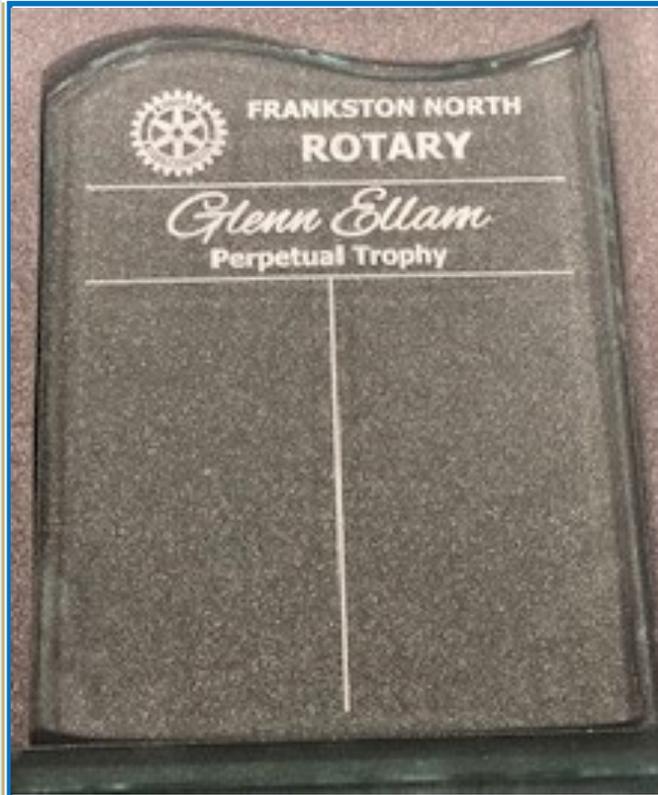

For all your cabinetry requirements, Architectural Joinery, Wall Units Kitchen, Vanities and Bars

C

Whether you're looking for a modern or contemporary feel, or something more traditional, Rick Crowhurst Cabinets will be there to advise you through every stage of the process.

Next Meeting - August 1

Games Night at Belvedere Bowls Club

Chairman: **Eric Neill**

Rotary Zone 8 Regionalisation Trial

David Hanlon

For some time now, Rotary International has been looking at how well we operate as an organisation and if our current structure is still fit for purpose, given that it was first introduced 120 years ago.

It's vital for Rotary to keep pace with changing attitudes and lifestyles and the way in which people now engage with causes, spend their time, and interact with friends.

The level of Rotary membership is an essential measure of our ability to adapt and, unfortunately, the declining trend is not reflective of a positive future.

After careful consideration, Rotary International has identified two regions in the world to investigate new ways of operating, these are Zone 8 (Australia, New Zealand, and Pacific Islands) and Zone 19 (Britain and Ireland).

Approval has been obtained to establish a Zone 8 Regionalisation working group made up of local Rotarians to explore, design and test new ways of operating Rotary in our part of the world.

The journey of exploring, designing, and testing new ways of operating will be an inclusive and collaborative process.

New models will be tested and reviewed for effectiveness over a period of 3 years in a staged manner, at each point proceeding further only if the suggested change is working.

But first we need to vote – The upcoming vote is to decide if we, the members of Zone 8, want to be part of this pilot project or not.

Each club will decide how best to coordinate their own internal voting process for their members and the outcome will be reflected in September when each club will have one vote for or against the pilot project proceeding.

Fact sheets and Q & A are available:

[Creating tomorrow | Rotary \(creatingtomorrowrotary.org\)](https://www.creatingtomorrowrotary.org) (see attachment on email)

Video summarising reason for pilot can be viewed on:
