### President David's Message

We are certainly living in testing times. However, if we all take heed of the Health Department's recommendations and just follow their advice and basic rules of decency we will come out of this well and healthy.

I am sure that we would all like to offer District Governor Adrian Froggatt and the Rotary Club of Berwick our support in having to cancel the District Conference in Bendigo. As we are all aware of the time and effort it takes to put on a District Conference.

We are all sorry that we have had to postpone our Trip to Lakes Entrance to assist in recovery of the area. I would like to thank Past District Governor Tony Spring for his efforts and hope that we will be able to visit that area as planned in the foreseeable future.

I would like to thank Past President Eric Neill and Past President David Hanlon for setting up the ZOOM Meetings enabling us to continue meeting on a regular basis.

I look forward to seeing you all on-line on Wednesday night which I believe will be an interesting and efficient way to conduct our Meetings at the present time.

Have a good week in Rotary.

President David

##### PDG Tony Spring Report on the visit to East Gippsland

Following the request from President David that we organise a weekend away to East Gippsland to do some work to assist those affected directly by the bushfires and to spend some money in the region, I surveyed the Club members and had a great response. Up until 10 days ago I had 16 Rotarians and 12 partners saying they would go. We had booked 6 caravan sites and 8 cabins for the weekend of 17-20 April at the Silver Sands Tourist Park in Lakes Entrance. Unfortunately due to the ongoing COVID-19 pandemic, we have had to indefinitely postpone our trip. I have advised the caravan park and they fully understand the situation. I advised them that we will rebook when we are able to travel and work safely. I have also spoken to PP Peter Sindrey at Lakes Entrance Rotary Club and President Pearl Findlay-James of Bairnsdale Sunrise Rotary Club that we cannot come there at this time but that we will touch base with them at a later date and come down there.

Both were very understanding and look forward to us visiting them in the future.

This is disappointing for all those planning to visit East Gippsland, but the health and safety of our members is paramount as this virus is infecting more and more Victorians.

**NOTE: All those booked must cancel their bookings directly with the caravan park.**

### Anzac Meeting 22nd April Pending

Our speaker for this special Club partner's night will be Dave Sabben was a 21-year-old National Serviceman when he found himself in the middle of the battle of Long Tan, one of Australia's fiercest and most intense engagements of the Vietnam War. It was his first battle, and one he will never forget. Sabben was mentioned in dispatches for his actions that day and later awarded the Medal for Gallantry, but the loss of his men was always a terrible blow.

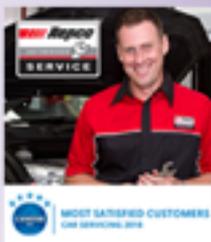

Some history on Dave can be seen on:

**OH WHAT A WEEK:**

Last Meeting we were all together was at The Sands on the 11th March.

As a community we have been saturated with news. Since the beginning of 2020 we have seen the horrific bushfires and the effects the fires has had on local communities and wildlife. Then it was strange weather patterns and floods. Now it is the CoronaVirus COVID-19. It is no wonder we feel exhausted, it is only March.

Everyone was laughing and cheering the Baboons that escaped from a Sydney Hospital. We later learned the Male Baboon was there with his 2 girlfriends to have a vasectomy. This news article was less than 4 weeks ago. It feels like an eternity ago.

So as the Editor Ho I want to make the Ho informative but light. We need to stay in touch while social distancing. I need your photos of how people are social distancing and what projects you are doing while at home.

This weekend was meant to be the District Conference at Bendigo. The Conference was cancelled due to the COVID-19 virus and hence many members cancelled their accommodation in Bendigo a handful of members still went.

Thank you to everyone who contributed to the Ho this week.

The Lindas' practicing safe Social Distancing at Bendigo

Colin and Charles' idea of social distancing

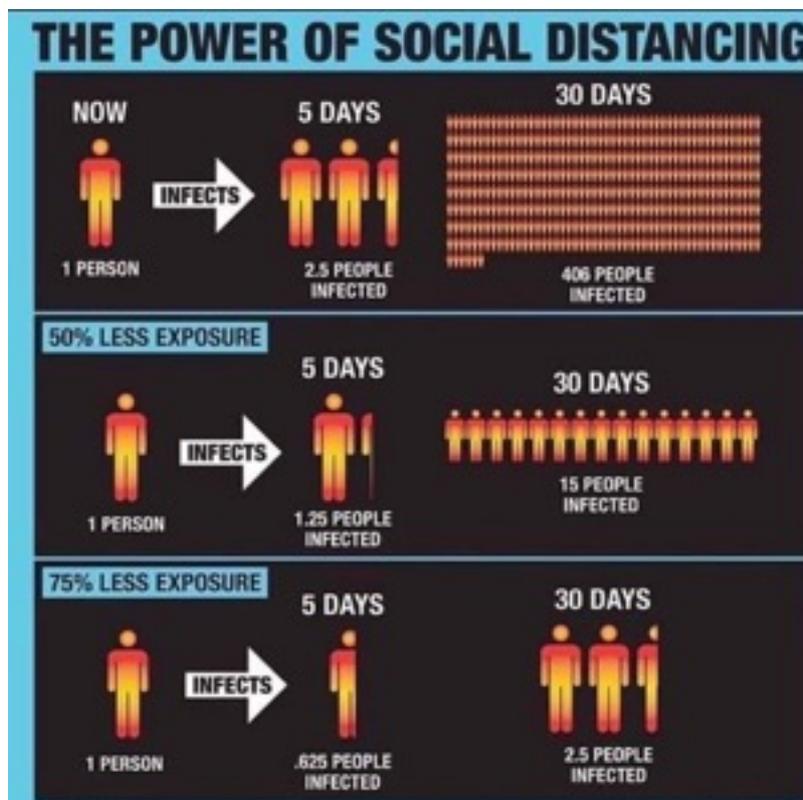

The best way to protect yourselves and the community is hand hygiene, and stay home is the only answer, if you need to go out Practice Social Distancing.

Peninsula Health has established a Screening Clinic at John Madder Hall operating 10am to 8pm; 7 days a week.

The team will ask you a set of questions and if you meet the criteria only then you will be tested. Due to the current demands test results are taking approximately 5 days to be reported on, it is your responsibility to self isolate until you are cleared.

If you are unwell and cannot wait to attend the clinic, contact your local GP or Emergency Department for immediate advice and treatment

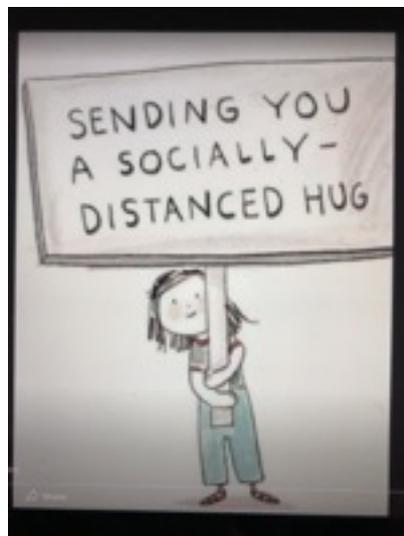

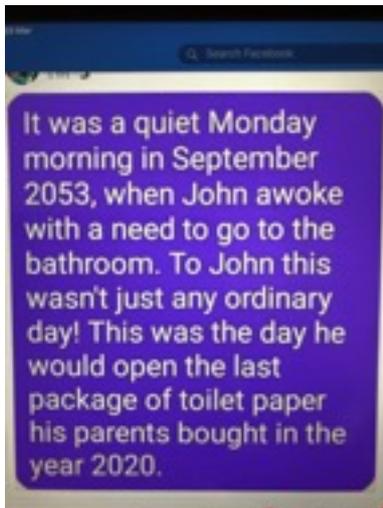

For Medical Advice on the COVID-19 there is a Hot-Line 1800 675 398

During these challenging times finish those projects around the home, if you're a knitter hospitals always need trauma teddies.

The KOGO web page [kogo.org.au](http://kogo.org.au) Knit One Give One is a not for profit. These projects, hats, scarfs and baby jackets are given to those in need. Please send photos of any projects you are doing. If anyone has a good riddle or cross word please share with the members of the club.

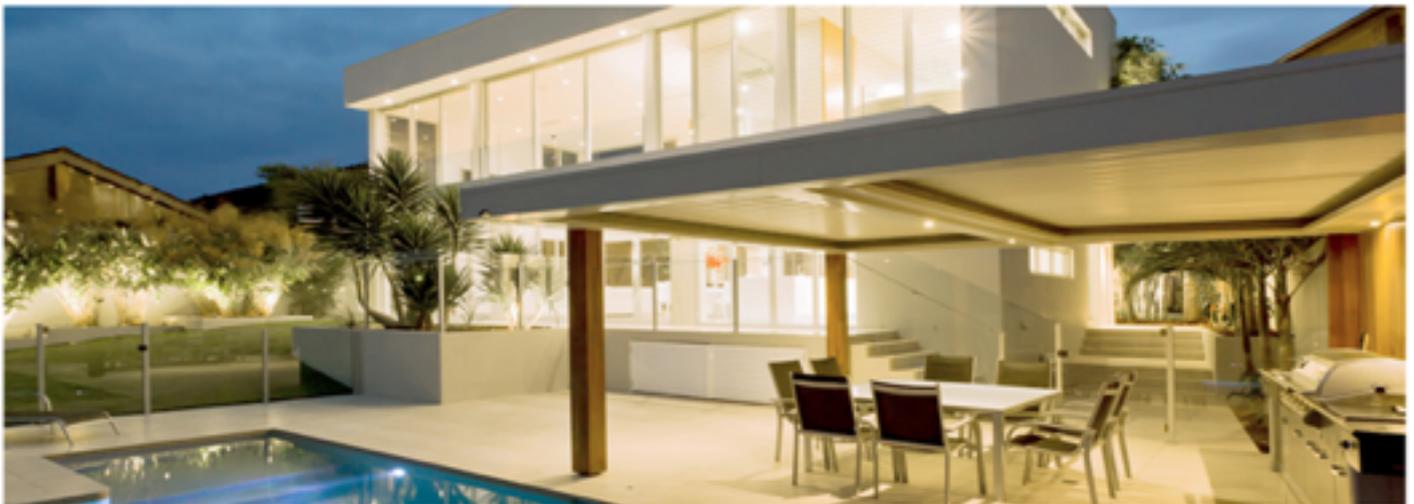

Support our beautiful member Rotarian Maree.

Maree, is the owner of Flourish Cafe, Norman Ave Frankston South.

We all know how the hospitality industry has suffered and will continue to suffer due to the COVID-19 Virus.

Maybe ring ahead and order some food and coffee to take away.
