ROTARY HO!
The Official Bulletin of Frankston North Rotary

President David's Message

We had a short catch up Meeting followed by a Board Meeting on Wednesday. It was good to see most of the Members online.

On Friday I logged into the District Webinar on Membership. It raised some good points for consideration and how to conduct Meetings under the present lockdown guidelines and how Meetings may evolve once we are able to go back to conducting Physical Meetings.

One suggestion for the present time is that Groups of five Members who live close together meet and join the on line Meeting. Thereby allowing a partial physical Meeting and on line at the same time.

Another point raised was that when we come out of lockdown and are able to hold physical Meetings that on line Meetings will become an ongoing fixture within our normal Meetings to allow Members to attend these Meetings if they are travelling or are unable to attend for personal reasons. This will also allow us to attract a wider and more varied range of Guest Speakers due to their location and time commitments.

Planning for the Trivia Night is locked in and I urge all Members to register and encourage other friends and family to register also. There will be Prizes awarded during the Night with a Major Prize for the overall Winner. We also have a Presentation Box of Johnnie Walker Blue Label Scotch Whisky for Auction.

Stay Safe and have a Good Week
President David

Joint Statement from Kiwanis International, Lions Clubs International, Optimist International, and Rotary International

Woven through the fabric of virtually every community on earth, service clubs of Kiwanis International, Lions Clubs International, Optimist International, and Rotary International are working safely and diligently to maintain connections with each other and our neighbors so that we can cope with and overcome the effects of COVID-19. We are leveraging the strength of our combined networks of 3.2 million members to provide comfort and hope to those feeling the effects of isolation and fear. And we are focusing our collective skills, resources and ideas to support frontline health workers and first responders as they battle this disease and save lives.

In these times of uncertainty, your local service clubs remain committed to meeting the challenge of finding innovative ways to take action together to help communities around the globe heal and thrive – and become more united than ever.

“The global effort against COVID-19 depends on actions taken in every country. As people of action, this is our time to connect with each other to offer immediate help to people in need.” – *Mark Daniel Maloney, Rotary International President, 2019-2020.*

"The scale and magnitude of this global pandemic requires our world's citizenry to heed the advice and cautions of the experts. The work and plans of our collective members and volunteers must not cease! Our immediate response after the crisis will be necessary to support local Governments respond to the many social and economic challenges that will ensue in its aftermath." – *Adrian Elcock, Optimist International President, 2019-2020.*

"Great challenges test us, but they also bring us together. Lions are finding new ways to safely serve. Our Lions Clubs International Foundation has granted over one million dollars to help communities facing extreme rates of COVID-19, and additional grant requests are being received daily. Our communities depend on service clubs, and we will be there, supporting and strengthening them just as we always have together." – *Dr. Jung-Yul Choi, Lions Clubs International President, 2019-2020.*

"During these difficult times, we're seeing everyday heroism across the globe. I encourage us all to recognize the health and safety professionals who are putting their own health at risk for the greater good. To the educators, grocery workers, delivery drivers and the countless professionals who can't stay home, the Kiwanis family thanks you. We all play an important role in keeping our friends and neighbors safe. Please follow the advice of the World Health Organization, your local health agencies and the instructions given by your Government. Please, stay safe." – *Daniel Vigneron, Kiwanis International President, 2019-2020.*
